

ASSIGNMENT MANAGEMENT TOOL

You need to create an assignment management app with the following functionalities:

- Add assignment
- Delete assignment
- Show pending assignments
- Show running assignments

The active sections as below should be highlighted:

Add assignment

Past Assign

Future Assign

Submit

Title

Description

Batch Name

Due Date

In the past assignment section you need to display the details for the assignments in the form of a table with a due date in the past.

In the Future assignment section you need to display the details for the assignments in the form of a table with a due date in the future.

Delete option is to be provided only for the future assignments.
